Prepare both a summary paragraph and a general description of the resource and its various elements as it exists today.

This house faces west onto Dowell Road. It is a two-story double-pile three-bay gable-roofed house with an advanced central entrance bay flanked by pairs of windows with six-over-one double-hung sash. There is a central brick stove flue. The house is constructed of wood frame and the original weatherboarding has been replaced with aluminum siding. A modern deck porch has been added to the north and east sides of the house. The structure probably dates from the 1930s.
